4. Participation

The competition will be open, without any restriction on national origins, to all shooters belonging to federations or other national groups properly affiliated to the Fitasc (referred to hereafter as the “Fitasc”) and up to date with their membership fees.

The Official list of the events and the maximum number of starts of the Championships are 200 Shooters.

If the maximum number of starts is reached during the Final Entry process, a “waiting list” for that event(s) will be established. If cancellations are subsequently received, entries from the waiting list will be entered on a first come, first served basis. The Organizing Committee will cooperate to determine if additional entries from the waiting list can be accommodated.

5. Entry Process

The shooters can enter and pay their entry fees either via the Fitasc’s website (www.fitasc.com) or directly to the ASF Online Registration Service www.asf-shooting.at

The ASF with the Organizing Committee commit themselves to gradually forward to FITASC, the shooter’s cards of the ones entered on the spot, so that these shooters be taken into account in FITASC entry list, without which these shooters won’t be taken into account neither in the world rankings FFWR, nor in the continental and World Cups.

All shooters taking part in international competition under the Fitasc’s auspices must have a licence issued by the Fitasc member federation in the country of their nationality. Any shooters domiciled in a country other than their nationality holding solely a licence issued by the Fitasc member federation of their country of residence will not be entitled to take part in international competitions under their nationality. National federations may check at any time whether the entrants via the Fitasc site comply with these rules. Any shooters with dual nationality, must, when registering their first entry, choose the nationality for which they are entered (and must shoot under this nationality for the following three years) and have a licence issued by the Fitasc member federation of the chosen country.

All payments which will be done upon arrival to the Organizing Committee must be paid only in cash in EUR (no travel checks or credit cards will be accepted).

14. Social and Cultural Activities

Capital of the Republic of Austria and one of Europe's most visited cities, Vienna (Wien) owes much of its charm and rich history to its splendid location on the banks of the beautiful Danube River. For centuries the gateway between West and East Europe, it was the natural nucleus of the once sprawling Habsburg Empire, and to this day remains Austria's most important commercial and cultural hub. Vienna continues to attract visitors with its many great historic sights, as well as for its busy program of events and entertainment. With an unmistakably cosmopolitan atmosphere, it retains a distinctive charm and flair, an effect accentuated by its fine old architecture, its famous horse-cabs (Fiaker), as well as its splendid street-side cafés with their Viennese coffees and treats.

Please check with your hotel front desk attendant for specific locations, brands and store hours. Your hotel will also be able to provide information for specific events around the area.
